RE: Fraudulent Communications

The Board of Pharmacy has been made aware of pharmacists/pharmacies receiving phone calls from an individual identifying himself as a representative of the Board of Pharmacy. The caller identification **does** reflect the Alabama Board of Pharmacy main office line. The caller will present to the pharmacist that there is an issue with the pharmacist/pharmacy license or permit. The caller may intimate that the Drug Enforcement Agency is involved. The caller will state that the license or permit is being sanctioned and that a monetary fine is required to continue to keep the license/permit in good standing.

DO NOT send money or entertain this conversation. The Board of Pharmacy will NOT address license/permit or disciplinary sanctions in this manner.

This is a scam and the individual is spoofing the Board of Pharmacy phone number.

Please do not send any money or provide any personal information over the phone.

Sincerely,

A handwritten signature in cursive script that reads 'Donna C. Yeatman'.

Executive Secretary
