

To all graduating students

BEFORE YOU BEGIN: You will need a copy of your driver's license, birth certificate, a recent head/shoulders picture and college affidavit. If you do not have a birth certificate you will need a US passport or documentation proving that you are in the US legally.

Go to our website-www.albop.com-homepage-PHARMACIST APPLICATION. Complete this application online.

Go to NABP's website and register to take the exams.

Once you have graduated, completed the application and registered, I can give you eligibility.

When you get your ATT from NABP, call the testing center and set up your exams.

Our Board will come to your school of pharmacy and interview all students. If you do not attend this interview you will have to come to the scheduled board meeting and be interviewed before receiving your license.

Our laws are located on our website-www.albop.com-homepage-STATUTES/RULES.

TO ALL SCHOOLS OUTSIDE ALABAMA: Your interview will be set up once we receive your grades.

NOTES:

We accept the curriculum hours that you receive from your pharmacy school. If you plan to go to another state be sure to see how many hours are required there. If you need any NON-CURRICULUM hours and you have worked them here in Alabama, they must be submitted to me by a registered preceptor (form online) before I can transfer them to another state.

If you are score transferring, you will also need to complete the process above.

If you have any questions, please email me at LMartin@albop.com.
