Policy 19-002

Prescription Acceptance Reduced to writing

If the pharmacist or registered intern accepts an oral prescription of any nature, the pharmacist or registered intern may directly enter the information into an electronic system. This process of keying the information immediately into a pharmacy system will be considered “reduced to writing” by the Alabama Board of Pharmacy.

Policy adopted by the Board of Pharmacy during the Business Meeting 2/20/2019. This final draft was approved by all Board members.
