Policy 18-011

Refill Authorizations Reduced to Writing

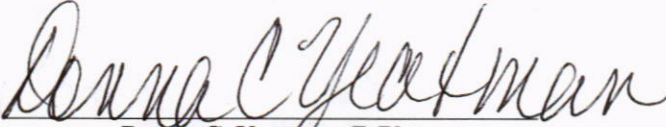

If the pharmacy uses a fax refill authorization form and puts all the required information on the prescription, whether it's handwritten or computer generated, it is a valid prescription. If assigned a new prescription number, it is considered by the Alabama Board of Pharmacy to be reduced to writing.

Policy adopted by the Board of Pharmacy during the Business Meeting 9/19/2018. This final draft was approved by all Board members.
