To Whom it May Concern,

I am writing to you on behalf of the Alabama State Board of Pharmacy to inform you of several position changes that have taken place at the Board of Pharmacy office. The ALBOP staff, Board and all involved welcome these changes and are excited to continue to serve in their roles to protect and ensure the safety of the public for the State of Alabama. The changes are as follows:

During the business meeting held on June 27th, 2018, Susan Alverson announced that she would like to step down from her position as the Board's Executive Secretary. Dr. Alverson has been the Executive Secretary for the past 4 years and she will cordially take on the new position of Director of Regulatory affairs.

After much consideration and the approval of the Ethics Commission, the Board appointed Donna C. Yeatman as the new Executive Secretary during the business meeting on July 25, 2018. Mrs. Yeatman announced she would step down from her seat on the board which she has held for the past 4 years and gladly accepted the position.

This change officially took place on September 4, 2018. I hope this information will be helpful with all future communications and if you have further questions please do not hesitate to contact the ALBOP Office.

Sincerely,

Wendy Passmore
